Beginning September 15, 2020

(New York, NY): In May 2019, thirty-three students received a full year scholarship, and three students received partial scholarships, based on the merit of their work. This virtual exhibition presents new works created during the following year by winners of the Merit Scholarship 2019. The scholarships were awarded by an invited jury of professional artists, critics and gallerists. The Merit Scholarship is given in support of full-time study at the League and are made possible by generous donations. Winners of the Scholarships will present their work in a public virtual exhibition on The Art Students League website:

About The Art Students League of New York:

The League was founded in 1875 by students breaking away from the National Academy of Design. That independent spirit remains at The League today, where students pursue their work unconstrained by dogma, politics or burdensome tuition. We educate students in the language and process of making art in an environment where anyone who wishes to pursue arts education can realize his or her full potential. The League fulfills this mission by offering affordable, high-quality education and instruction in painting, drawing, printmaking, sculpture and assemblage. Artists who have studied at the League include Georgia O'Keeffe, Norman Rockwell, Jackson Pollock, Robert Rauschenberg, Louise Bourgeois, Alexander Calder, James Rosenquist and Ai-Weiwei, among others. www.theartstudentsleague.org
